# Project-7

## Up gradation of Existing Front-line Staff Twin Quarters

(Compiled for submission under Karnataka Forest, Wildlife & Climate Change Foundation (KFWCCMF) CSR Funding)

## IN BRIEF

Sector	Wildlife
Name of the Project	Up gradation of Existing Front-line Staff Twin Quarters
Proposal submitted by Unit	Kappatta Hills Range, Mundaragi, Gadag Forest Division
Total Project Cost (Rs. In Lakhs)	16.00 Lakh
Coverage/Area (in Ha) & Forest Block	Dambal Dyrfo and Beat Forester Twin Forest Quarts Kappatta Hills Range Forest Area
Project Duration- In Years	2025-26 One Year
Project Implementing Agency: Department/Funding Agency	Karnataka Forest Department - Gadag Forest Division
Objective of the Project	<p>To improve the living and working conditions of frontline staff (forest guards/watchers) by upgrading the existing twin staff quarters through comprehensive civil, electrical, water-proofing, plumbing, and landscaping works. This will enhance staff welfare, provide safe housing, and strengthen overall protection and management of the sanctuary.</p>
Output (Activities/ Quantity)	<ul style="list-style-type: none"> <li>• <b>Water-proofing of terrace</b> to prevent leakage and structural damage.</li> <li>• <b>Civil repairs</b> including plastering, flooring, and minor masonry works.</li> <li>• <b>Plumbing works</b> for water supply and sanitation facilities.</li> <li>• <b>Replacement/repair of windows and doors</b> with durable fittings.</li> <li>• <b>Painting works</b> (internal and external) for improved living conditions.</li> <li>• <b>Electrical works</b> including safe wiring, fittings, and provision of solar-based lighting.</li> <li>• <b>Landscaping and compound development</b> around the quarters to create a clean and green environment.</li> </ul>
Justification/Essentiality	<ul style="list-style-type: none"> <li>• Frontline staffs are the <b>backbone of wildlife protection</b> and habitat management.</li> <li>• Existing twin quarters are in <b>dilapidated condition</b>, leading to health, safety, and morale issues.</li> <li>• Water seepage, damaged plumbing, broken doors/windows, and poor electrification hinder staff comfort and security.</li> <li>• Renovation will provide <b>dignified living conditions</b>, leading to motivated staff and effective patrolling in sensitive areas.</li> <li>• CSR support will directly contribute to <b>staff welfare</b>,</li> </ul>

	<b>eco-friendly infrastructure, and wildlife protection.</b>
Outcome (3measurable outcomes)	<ul style="list-style-type: none"> <li><b>Safe &amp; Comfortable Housing</b> – At least 8–10 frontline staff will benefit from upgraded quarters with essential amenities.</li> <li><b>Improved Morale &amp; Efficiency</b> – Better living standards will enhance staff motivation, ensuring increased patrolling and reduced wildlife crimes.</li> <li><b>Sustainable Living Conditions</b> – Waterproofing, proper plumbing, solar/electrical upgrades, and landscaping will ensure long-term durability and eco-friendliness.</li> </ul>
Whether, the proposed project is as per approved/proposed Management plan/Working Plan	YES

# PROJECT NOTE

## 1. Objective of the Project

To improve the living and working conditions of frontline staff (forest guards/watchers) by upgrading the existing twin staff quarters through comprehensive civil, electrical, water-proofing, plumbing, and landscaping works. This will enhance staff welfare, provide safe housing, and strengthen overall protection and management of the sanctuary.

## 2. Output (Activities / Quantity)

- **Water-proofing of terrace** to prevent leakage and structural damage.
- **Civil repairs** including plastering, flooring, and minor masonry works.
- **Plumbing works** for water supply and sanitation facilities.
- **Replacement/repair of windows and doors** with durable fittings.
- **Painting works** (internal and external) for improved living conditions.
- **Electrical works** including safe wiring, fittings, and provision of solar-based lighting.
- **Landscaping and compound development** around the quarters to create a clean and green environment.

## 3. Justification / Essentiality

- Frontline staffs are the **backbone of wildlife protection** and habitat management.
- Existing twin quarters are in **dilapidated condition**, leading to health, safety, and morale issues.
- Water seepage, damaged plumbing, broken doors/windows, and poor electrification hinder staff comfort and security.
- Renovation will provide **dignified living conditions**, leading to motivated staff and effective patrolling in sensitive areas.
- CSR support will directly contribute to **staff welfare, eco-friendly infrastructure, and wildlife protection**.

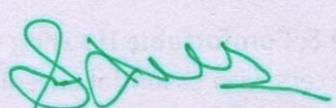

## 4. Outcomes (Measurable)

- **Safe & Comfortable Housing** – At least 8–10 frontline staff will benefit from upgraded quarters with essential amenities.
- **Improved Morale & Efficiency** – Better living standards will enhance staff motivation, ensuring increased patrolling and reduced wildlife crimes.
- **Sustainable Living Conditions** – Waterproofing, proper plumbing, solar/electrical upgrades, and landscaping will ensure long-term durability and eco-friendliness.

## LINE ESTIMATE

Sl. No.	Work Component	Estimated Cost (Rs.in Lakhs)
1	Water-proofing of terrace	2.50
2	Civil repairs (plastering, flooring, masonry)	3.00
3	Plumbing works (water supply & sanitation)	1.50
4	Windows & doors repair/replacement	2.00
5	Internal & external painting	2.50
6	Electrical works (wiring, fittings, solar support)	3.00
7	Landscaping & compound development	1.50
<b>Total</b>		<b>16.00</b>

*(Rates are indicative; actual procurement will follow Government e-Procurement norms.)*
