Project-5

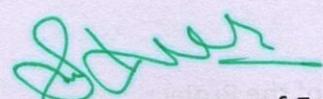

Construction of Eco-friendly Camp Site for Tourists and Trekkers

(Compiled for submission under Karnataka
Forest, Wildlife & Climate Change
Foundation (KFWCCMF) CSR Funding)

IN BRIEF

Sector	Wildlife
Name of the Project	Construction of Eco-friendly Camp Site for Tourists and Trekkers
Proposal submitted by Unit	Kappatta Hills Range, Mundaragi, Gadag Forest Division
Total Project Cost (Rs. In Lakhs)	146.00 Lakh
Coverage/Area (in Ha) & Forest Block	Doni Fsy.No.150, Extent: 2.5Acre Kappatta Hills Range Forest Area
Project Duration- In Years	2025-26 One Year
Project Implementing Agency: Department/Funding Agency	Karnataka Forest Department - Gadag Forest Division
Objective of the Project	<ul style="list-style-type: none"> • To provide eco-friendly accommodation and basic facilities for tourists and trekkers visiting Kappattagudda Wildlife Sanctuary. • To promote eco-tourism and nature education, thereby creating awareness about conservation. • To generate livelihood opportunities for local communities through eco-tourism-based activities.
Output (Activities/ Quantity)	<p>Construction of Gazebo</p> <p>Construction of Toilet & Bathroom Block</p> <p>Construction of Kitchen Room</p> <p>Construction of Security Room</p> <p>Construction of Watch Tower</p> <p>Construction of Rain Water Harvesting Structure</p> <p>Construction of Bore well with Solar Pump</p> <p>Construction of Pathway and Landscaping</p>
Justification/Essentially	<ul style="list-style-type: none"> • Kappattagudda Wildlife Sanctuary is an important biodiversity hotspot and a popular trekking destination. However, there is a lack of basic amenities such as toilets, drinking water, camping space, and resting shelters. • Development of a camp site with essential facilities will enhance visitor experience while reducing human pressure on the natural habitat. • The project will also help regulate tourism by channelizing visitors to designated eco-friendly facilities, thereby minimizing ecological damage. • CSR intervention will strengthen Eco-tourism infrastructure and support conservation-linked livelihood opportunities.

Outcome (3measurable outcomes)	<ul style="list-style-type: none"> Eco-tourism Development – Improved tourist and trekker facilities expected to attract more than 10,000 visitors annually. Employment Generation – At least 20 local people will get direct/indirect employment through eco-tourism services. Conservation Support – Reduced habitat degradation and better management of tourist inflow in the sanctuary.
Whether, the proposed project is as per approved/proposed Management plan/Working Plan	YES

Deputy Conservator of Forests,
Gadag Division, Gadag

PROJECT NOTE

1. Objective of the Project

- To provide eco-friendly accommodation and basic facilities for tourists and trekkers visiting Kappattagudda Wildlife Sanctuary.
- To promote Eco-tourism and nature education, thereby creating awareness about conservation.
- To generate livelihood opportunities for local communities through Eco-tourism-based activities.

2. Justification / Essentially

- Kappattagudda Wildlife Sanctuary is an important biodiversity hot spot and a popular trekking destination. However, there is a lack of basic amenities such as toilets, drinking water, camping space, and resting shelters.
- Development of a camp site with essential facilities will enhance visitor experience while reducing human pressure on the natural habitat.
- The project will also help regulate tourism by channelizing visitors to designated eco-friendly facilities, thereby minimizing ecological damage.
- CSR intervention will strengthen Eco-tourism infrastructure and support conservation-linked livelihood opportunities.

3. Outcomes (Measurable)

- **Eco-tourism Development** – Improved tourist and trekker facilities expected to attract more than **10,000 visitors annually**.
- **Employment Generation** – At least **20 local people** will get direct/indirect employment through eco-tourism services.
- **Conservation Support** – Reduced habitat degradation and better management of tourist inflow in the sanctuary.

LINE ESTIMATE

Sl. No	Activities Proposed	Quantity	Estimated Cost (in Lakhs)
1	Construction of Chain link Mesh around Camp Site	500 Rmt	35.00
2	Construction of Gazebo	01 Nos	12.00
3	Construction of Toilet & Bathroom Block	01 Nos	12.00
4	Construction of Kitchen Room	01 Nos	15.00
5	Construction of Security Room	01 Nos	15.00
6	Construction of Watch Tower	01 Nos	15.00
7	Construction of Rain Water Harvesting Structure	01 Nos	10.00
8	Construction of Bore well with Solar Pump	01 Nos	20.00
9	Construction of Pathway and Landscaping	Lump sum	12.00
Total			146.00
